UT-Battelle, LLC (UT-Battelle) manages and operates the Oak Ridge National Laboratory under its Prime Contract No. DE-AC05-00OR22725 with the United States Department of Energy (“DOE”), an agency of the United States Government. The owners of the copyrights in the software and the associated documentation and package material identified below (the “Software”) have granted to UT-Battelle a license to reproduce, sublicense, make derivative works of, and distribute all or any part of the Software in accordance with existing laws, regulations, DOE orders, DOE/NRC agreements and/or written program office guidance. UT-Battelle hereby grants to the Licensee identified below a limited, non-exclusive, no-charge, royalty-free, copyright sublicense to use and modify the Software subject to the following conditions:

1. The Software will be used only by the Licensee.
2. The Software will not be duplicated (except as necessary for backup or archival purposes).
3. Licensee will submit to UT-Battelle, using the Radiation Safety Information Computational Center’s Software Submittal Form (found on the website at <http://www-rsicc.ornl.gov/rsiccnew/cfdocs/softwaresubmittalform.cfm>), any changes, modifications to, or derivative works of the Software. Changes or modifications to, or derivative works of the Software must be noted with comments and the name of Licensee and Licensee’s employer.
4. Subject to the limited exclusion in paragraph 3 above, redistribution of the Software or derivative works thereof is prohibited.
5. Neither the names of UT-Battelle, LLC or the Department of Energy nor the names of the Software contributors may be used to endorse or promote products created using this software without specific prior written permission of UT-Battelle.

**DISCLAIMER**

**The software is supplied by UT-Battelle “as is” and any express or implied warranties, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose are disclaimed. In no event shall the copyright owner, UT-Battelle, contributors, United States Government, or the United States Department of Energy be liable for any direct, indirect, incidental, special, exemplary, or consequential damages (including, but not limited to, procurement of substitute goods or services; loss of use, data, or profits; or business interruption) however caused and on any theory of liability, whether in contract, strict liability, or tort (including negligence or otherwise) arising in any way out of the use of this software, even if advised of the possibility of such damage.**

**Neither UT-Battelle, the United States Government, nor the United States Department of Energy, nor the copyright owner, nor any of their employees, represents that the use of any Software, information, data, apparatus, product, or process disclosed or licensed would not infringe privately owned rights.**
